Week 42

International Floral Distributors wants to acknowledge our suppliers that are delivering their flowers at acceptable temperatures.

These are suppliers that have taken responsibility for their flowers being delivered at temperatures of 40 degrees or below.

IFD is encouraging our members to support these California suppliers:

Bay City Flower	Farmers West Flowers & Bouquet	
Freshco	Kenyon Growers	Oceanview Flowers
Oregon Roses	Prime Floral	Pyramid Flowers
Sun Valley Farms	Washington Floral Service	

The average temperature of all California boxes was 49 degrees. The highest temperature reported on the shipments was 67 degrees. There were a total of 162 shipments with reported temperatures of 50 degrees or higher.

IFD is encouraging our members to support these suppliers that move their boxes through Florida:
